

**BOSCH**

Invented for life

# DCN-MICS/L Pluggable Microphone Short/Long Stem

- ▶ **Uni-directional microphone on adjustable stem**
- ▶ **Built-in pop and windshield**

The innovative, stylish and ergonomically designed microphone with an adjustable stem simply plugs directly into a Discussion unit, Centurus, flush-mounted Microphone Connection panels or Interpreter desk. It has a uni-directional response for optimum performance even in noisy conditions, and has low susceptibility to interference from mobile phones.

## Functions

### Controls and Indicators

- Red or green illuminator. Red indicates microphone is active, green indicates request-to-speak accepted

### Interconnections

- Connector to plug and fasten the microphone

## Technical Specifications

### Mechanical
